MEMORANDUM FOR: Director of Personnel

ATTENTION : Chief, Position Management and Compensation Division, OP

SUBJECT : Change of Position from MF to ML Career Sub-Group

1. It is requested that the service designation of Position No. 1526, GS-07 Accounting Technician, located in the Office of Logistics Budget and Fiscal Branch, be changed from MF to ML.

2. Due to the fact that all duties of this position are not truly budget and fiscal but include other administrative, typing, and general office support duties, the MF Career Sub-Group has found it most difficult to provide candidates to fill it. It is believed that the position should more appropriately fall under the ML Career Sub-Group, which will be in a better position to provide staffing of the position in the future.

3. Accordingly, it would be appreciated if an appropriate Form 261 could be issued to effect the change in designation of subject position at an early date.
